

PRYCO, INC.

ENCLOSED INDUSTRIAL CONTROL PANEL

Pryco's **OPTION # 465 — ENCLOSED INDUSTRIAL CONTROL PANEL** is U/L Listed (Label # 508).

We start with a heavy gauge steel enclosure that meets U/L requirements. Then we ensure only U/L Listed components are used within. These components the make up various day tank accessories include: contactors, relays, sockets, lights, and switches — even the wire and connectors.

The unique U/L File Number specifically assigned to Pryco is E1023272.
